**Includes:** Student Name; Local ID; Date of Birth; Residence County; Residence School; Service County; Service School; IEP Date; IEP In Effect Date; Referral Date Parent Consent For Assessment Date; Evaluation Results Shared No Later Than Date-(up to 90 days from referral or 60 days from parent consent); Assessment Ordered; Form Completed On Date.

**Tip:** The search will only yield results for resident and service schools to which the user is assigned.

**Note:** If the service county and school, as well as, the Resident County and school criteria are selected, the reporting tool will yield a smaller, more specific set of results. Selecting the resident county will produce a report of students within the selected county regardless of Service County. Selecting the service county will produce a report of students within the selected suttents within the selected county regardless of Resident County.

- 1. Choose the **Reports** button from any screen in the Maryland Online IEP.
- 2. Next, from the list of available reports, click on **Initial Eligibility Timeline Report** (Requires Notice and Consent for Assessment Form) link.
- 3. Then, choose which of the available criteria will be used to filter the report.

**Note:** A resident county must be chosen to select a resident school (along with a designation of private or public), the same applies when choosing a service county and school. A grade can be chosen independent of resident county/school or service county/school.
