

Directions:

- Complete the graphic organizer as you read Brandon's case study.
- Write the characteristics of CLOCS-RAM the teacher *did not* account for and provide an example from the case study in the column on the left.
- Write a characteristic of CLOCS-RAM the teacher did well in the column on the right.
- Write recommendations of Best Instructional Practices to improve the teacher's instructional practices from the case study on the back of this sheet.
